§ 247.12

(4) The State agency may authorize local agencies to consider the household's average income during the previous 12 months and current household income to determine which more accurately reflects the household's status. In instances in which the State makes the decision to authorize local agencies to determine a household's income in this manner, all local agencies must comply with the State's decision and apply this method of income determination in situations in which it is warranted.

(f) *What other options does the State agency have in establishing eligibility requirements for CSFP?* (1) The State agency may require that an individual be at nutritional risk, as determined by a physician or by local agency staff.

(2) The State agency may require that an individual reside within the service area of the local agency at the time of application for CSFP benefits. However, the State agency may not require that an individual reside within the area for any fixed period of time.

§ 247.10 Distribution and use of CSFP commodities.

(a) *What are the requirements for distributing CSFP commodities to participants?* The local agency must distribute a package of commodities to participants each month, or a two-month supply of commodities to participants every other month, in accordance with the food package guide rates established by FNS.

(b) *What must the local agency do to ensure that commodities are distributed only to CSFP participants?* The local agency must require each participant, or participant's proxy, to present some form of identification before distributing commodities to that person.

(c) *What restrictions apply to State and local agencies in the distribution of CSFP commodities?* State and local agencies must not require, or request, that participants make any payments, or provide any materials or services, in connection with the receipt of CSFP commodities. State and local agencies must not use the distribution of CSFP commodities as a means of furthering the political interests of any person or party.

(d) *What are the restrictions for the use of CSFP commodities?* CSFP commodities may not be used for outreach, refreshments, or for any purposes other than distribution to, and nutrition education for, CSFP participants.

§ 247.11 Applicants exceed caseload levels.

(a) *What must the local agency do if the number of applicants exceeds the local agency's caseload level?* If all caseload has been filled, the local agency must maintain a waiting list of individuals who apply for the program. In establishing the waiting list, the local agency must include the date of application and information necessary to allow the local agency to contact the applicant when caseload space becomes available. Unless they have been determined ineligible, applicants must be notified of their placement on a waiting list within 10 days of their request for benefits in accordance with § 247.15.

(b) *What are the requirements for serving individuals on the waiting list once caseload slots become available?* The local agency must certify eligible individuals from the waiting list consistent with civil rights requirements at § 247.37. For example, a local agency may certify eligible individuals from the waiting list based on the date the application was received on a first-come, first-served basis.
